Pope Francis has chosen Ireland to host the 9th World Meeting of Families during 2018.

It is expected to attract thousands of Catholic families from around the globe to Ireland. It is hoped that this very special pastoral initiative will present all of us in the Church with the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith.

Hosting a global event of this size requires a huge amount of planning and financial outlay on behalf of the host country. Accordingly, our bishops have now established a National Finance Committee to provide advice on the financial planning for the World Meeting of Families in Ireland. To support the hosting of the event we intend to hold three national church collections, the first of which will take place on the weekend of 28–29 May.

The World Meeting of Families was a pastoral initiative of St John Paul II. Held every three years, and coordinated by the Pontifical Council for the Family, it is the largest universal gathering of Catholic families and brings together families from all over the world in faith and celebration.

Our young parishioners (Donal McAuliffe, Denis McCambidge, Andrew & David McArdle) **thank you most sincerely for your generosity in their church gate collection last weekend. In total you kindly donated €1,444.**

The boys depart for Ghana with their school in late June. During their trip they'll attend school, participate in after-school support activities and visit development projects coordinated by Aidlink.

Your donation will directly fund the provision of clean water and basic healthcare in Ghana communities. The ripple effect of clean water, sanitation and basic health care provision spreads out across communities and the impact of Aidlink's projects will be felt across entire communities for generations to come.
