Church Refurbishment Snag List

As many will know there has been outstanding snag items since the church was refurbished in summer 2014. There has been some delay in getting this sorted. Two of the obvious items are

- The carpet tiles at the top of the aisles and
- The colour of the reredos, (the wall behind the altar)

The builder is returning during the coming week, so there will be **DISTURPTION** during the week ahead.

Sorry for the inconvenience caused. There are other items too that will be sorted.
