Car Parking

We invite you when parking your car either inside or outside the church grounds, to do so with regard to other motorists and cyclists, and not to park in a manner that would block any exits in case of an emergency.

Last Sunday during Mass an ambulance had to be called and found it very difficult to access the church grounds due to the way some cars were parked inside and outside the church.

If you are parking in the church grounds, we ask that you do not park at or beside any of the church gates. Parking in front of the main door of the Church is also not permitted.

Your co-operation in this matter is very much appreciated.

Church Appeal for East Africa

As the appalling situation facing the people of East Africa has reached a critical stage, Archbishop Diarmuid Martin has appealed for support for a Church collection for Trócaire

There are severe food shortages in South Sudan, Somalia, Kenya and Ethiopia brought about by drought and conflict. Over half the population of Somalia is experiencing food shortages and malnutrition. There have also been major outbreaks of cholera across the country. South Sudan is on the brink of famine, with drought and conflict affecting millions.

Millions of people in south-eastern Ethiopia and northern Kenya are in urgent need of humanitarian assistance. On behalf of Irish Catholics, Trócaire is doing all it possible can - currently helping over 150,000 people across the region with emergency food, water and sanitation.

The need is enormous and the Bishops' Conference is responding by launching an **emergency Church Appeal throughout Ireland to take place on Saturday 22nd and Sunday 23rd July 2017. The collection will be taken up at all Masses in the Parish next weekend.**
