We now need two more Eucharistic Ministers for the 10.00am Mass. Is there anyone available to join this team? If so please let me know asap. Thank you. Valerie.

N.B. As mentioned last month we are trying to update the register of those who bring Communion to the housebound. If you bring Communion to a parishioner and haven't already told me, would you please let me know as soon as possible. Thank you. Valerie.
