

This month of May is a time under normal circumstances, when so many children, their families, teachers and all in our Parish look forward to the celebration of 1st Holy Communion. As we know we are now living in unprecedented times where we are unable to gather in large numbers to celebrate very important and key moments in all of our lives. These include sacramental gatherings in our Parish, such as the celebration of daily and weekend Mass, the sacraments of marriage, baptism, confirmation and First Holy Communion. I know that so many of our young people and their families are disappointed that the celebration of Confirmation which was due to be held in the Parish on March 26th. and First Holy Communion which was due to take place yesterday Saturday May 9th have had to be postponed until further notice.

As social distancing is going to be part of life for many months to come and possibly longer, new ways will have to be found to celebrate these very important and key sacramental moments in the lives of our children, young people, their families and all in our school and parish communities. We will be in touch with families and with our schools to find the best way to do this over the coming months so that these very important celebrations will take place when it is safe and when we are allowed to do so.

Thank you for your understanding at this very difficult time for so many people. Be assured that we are thinking of you all and remembering you as we journey through this together. Stay safe and take care. Fr. Brian
